## EDUCATION

**Amritsar Group of Colleges**

*Bachelors of Computer Applications - CGPA - 8.5*

**07-2022 – 05-2025**

*Amritsar, India*

**Ashoka Senior Secondary School**

*XII - Percentage - 92.2*

**04-2021 – 03-2022**

*Amritsar, India*

## TRAINING

**Solitaire Infosys** 🔗

*MERN Stack developer*

**6-2025 – 7-2025**

- Gained hands-on experience in developing full-stack web applications using MongoDB, Express.js, React, and Node.js.
- Built and deployed interactive front-end components with React, ensuring a responsive and user-friendly interface.
- Implemented RESTful APIs and integrated them with the front-end, enhancing data flow and application functionality.
- Worked on authentication and authorization using JWT and middleware, improving security and access control.

## TECHNICAL SKILLS

**Languages:** Html, Css, JavaScript, Typescript, Java

**Technologies/Frameworks:** ReactJS, NodeJS, ExpressJS, NextJS, MongoDB, MySQL, ReduxToolkit

**Developer Tools:** VS Code, Git, GitHub

## PROJECTS

**BlogVibe** 🔗 | ReactJS, NodeJS, ExpressJS, MongoDB

**07-2024**

- \* Built a fully responsive blog website using the MERN stack, enabling users to search, filter, create, edit, delete, like, and comment on blogs.
- \* Implemented secure user authentication with JWT and used Redux for efficient state management.
- \* Designed an admin panel for managing users and comments, providing comprehensive control over platform activities.
- \* Developed a modern UI with Tailwind CSS, ensuring a clean and engaging user experience across all devices.

**VibeShop** 🔗 | ReactJS, NodeJS, ExpressJS, MongoDB

**05-2024**

- \* Developed a fully responsive e-commerce platform with separate admin and user modules for streamlined operations.
- \* Used Context API for state management and added features like advanced product filtering, category-based search, and a dynamic shopping cart with checkout functionality.
- \* Designed an admin dashboard for managing products (add/edit/delete) and monitoring user activities.
- \* Focused on creating a modern, interactive, and responsive design using Tailwind CSS to ensure a seamless shopping experience.

## CERTIFICATIONS

**NPTEL Java Certification** 🔗

**11-2024**

*Issued by NPTEL, IIT*

- Completed a certification course on Java, covering core concepts, object-oriented programming, multithreading, and data structures.
- Gained proficiency in Java programming, including collections, exception handling, and file management.
